All Players Must Read This Before Signing

Softball is a physical sport, one which requires strenuous activity by its participants. Proper warm-up and preparation is the responsibility of the individual. At times, hazardous playing conditions may occur beyond the control of the District. Softball by nature is a hazardous and risky game. Players are exposed to risks, including, but not limited to, the acts of pitching, throwing, fielding and catching of the ball, the swinging of the bat, running, jumping, stretching, sliding and diving, and collisions with other players and with stationary objects, all of which can cause serious injury or death. Sliding into base may be dangerous, and may result in serious injury or death. Injuries such as cuts, bruises, broken bones, injured joints, tendons, or muscles may occur.

Agreement Waiver, and Release of Liability Athletic League

In consideration for being permitted by the above Cordova Recreation & Park District to participate in an athletic league involving the above sport, I hereby waive, release, and discharge any and all claims for damages for personal injury, death, or property damage which I may have or which may hereafter accrue as a result of my participation in said activity. This release is intended to discharge in advance the above district (its officers, employees, and agents) and the Amateur Softball Association of America (its agents & Umpires), from and against any and all liability arising out of or connected in any way with my participation in said activity, even though that liability may arise out of negligence, breach of contract, or wrongful conduct on the part of said district (or its officers, employees, or agents), or the Amateur Softball Association of America (its agents & Umpires).

I understand that the above sport may be of a hazardous nature and/or include physical and/or strenuous exercise or activity; that serious accidents occasionally occur during the above sport activity; and that participants in the above sport activity occasionally sustain mortal or personal injuries and/or property damages as a consequence thereof. Knowing the risks involved, nevertheless, I have voluntarily applied to participate in said activity and I hereby agree to assume any and all risks of injury or death and to release and hold harmless the above district (its officers, employees, and agents), and the Amateur Softball Association of America (its officers, employees, and agents) who through negligence, carelessness, or any other acts or omissions might otherwise be liable to me. It is further understood and agreed that this waiver, release, and assumption of risks is to be binding on my heirs and assigns.

I further agree to indemnify and to hold the above district (its officers, employees, and agents) free and harmless from any loss, liability, damage, cost, or expense which they may incur as a result of any injury and/or property damage that I may sustain while participating in said activity.
